*These workshops are developed to address the needs of families of children with disabilities and special health care needs and providers and educators who work with families. Workshops are 1 ½ - 2 hours in length; however, we are happy to adjust the length based on the needs of the group. We will come to the location of your choice and are available days, evenings, and weekends! (Workshops are always **free** for parents and parent groups. There is a \$75 fee for agencies, providers, and professional groups, unless otherwise arranged.)
